

Agreement and release and waiver of liability for a minor child

I request permission for a minor child, named below, to participate in the cross country riding and fox hunting with the Beech Grove Hunt.

I fully understand that cross country horseback riding and foxhunting (which includes riding over fences, other obstacles and steep and rough terrain) are very dangerous activities. I wish to allow the minor to participate in these activities knowing they are dangerous. I accept and assume all the risks of injury (including death) to the minor or the minor's or my property. I represent and warrant that I have the authority to give this release.

In exchange for the minor being permitted to participate in these activities, for the minor, myself, the minor's heirs, guardians, and legal representatives, I release and agree not to make or bring any claim of any kind against the Beech Grove Hunt, or its landholders or other persons making property available for the Beech Grove Hunt, for any injury (including death) to the minor or any damage to the minor's or my property whether from anyone's negligence or not, or any other cause arising out of the minor's participation in these dangerous horseback riding, foxhunting or related activities, and I also agree if anyone makes any claims because of any injury to the minor (including death) or for any damage to the minor's or my property, I will keep all those released by this agreement free of any damages or costs because of those claims.

Under Tennessee law, an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to Tennessee Code Annotated, Title 44, Chapter 794.
